++ Valid for broadcast between 1800 and 0600

Headline:
Coastal haar. Bright and warm inland.

This Evening and Tonight:
There will be bright and sunny spells inland this evening, but low cloud and haar around North Sea coasts, this extending inland later this evening and overnight. Minimum temperature 6 deg C (43 deg F).

Saturday:
A grey and misty start in the east, but this will burn back to the coast with bright and sunny spells. Warm inland, but cool around North Sea coasts. Maximum temperature 20 deg C (68 deg F).

Outlook for Sunday to Tuesday:
A fine dry and warm spell of weather with some sunny periods. Still the chance of patchy haar around the Aberdeenshire coast.
